

Levelling feet plates with rubber base steel or stainless steel

Item description/product images

Description

Material:

Plate steel or stainless steel 1.4301.

Rubber base NBR, Shore 70A.

Version:

Steel chromed.

Stainless steel polished.

Note for ordering:

If the levelling foot plate and the threaded spindle are to be supplied assembled, please add the suffix "assembled" to the order number for the plate and spindle (e.g. K0673.10801 and K0669.080501 assembled).

Note:

Levelling feet consist of a plate and a threaded spindle. Any plate can be combined with any threaded spindle.

For matching threaded spindles see K0669.
